

St. Finian's Newsletter

04/10/2023

Important Updates

Whatsapp Admin Group

Some parents have asked that important updates are sent by text as well as the school newsletter each week. At present we are looking at the best way to set this up. We intend to set up a Whatsapp community for the school, there will be a number of groups within this community. A group called Whole School Community. Messages will include updates about important events or alerts to when we have sent an email. There will also be a group for each class to alert you about events for that class only. An invite link will be posted next week. The account will only be used for announcements only and will not include a chat function.

Breakfast Morning- This Friday!

Our annual breakfast morning is on this Friday in the school hall. If each child could take in €2 as a donation which will go to a charity called SNAP. They're a fantastic organisation run by parents of children with additional needs and they organise activities and therapies for the children.

GAA Blitzes

Our boys' and girls' teams both did really well in the recent football blitzes.

The Boys team won or drew all their matches and now proceed to the semi-finals.

The Girl's team did really well also. Unfortunately, they lost their first game to a much stronger Dunleer team. They then picked themselves up and won all their other matches.

Congratulations to both teams!
