First Holy Communion

The children in Second Class will receive their First Holy Communion on Saturday, 11th May at 11am in St. Finian's RC, Dillonstown. We wish the children well for their special day.

School Tour

The school tour this year will be to the Let's Go Activity centre in Gormanstown College on Thursday 30th May. It is always a great day and I am sure that the children will enjoy it greatly! Glanmore will provide a packed lunch on the day. There are indoor and outdoor activities to keep everyone busy and engaged. For more details on the activities please follow this [link](#). Would you please ensure that your child's savings card is up to date.

Standardised Tests

We will be administering Standardised tests next week. It would help us greatly if your child is in school on Tuesday – Thursday next week as these tests are completed as a whole class. Please follow this link to learn more about [Standardised Testing](#). Remember that these tests are nothing to worry about and we normally do not mention them to the children beforehand. We do not wish to make your child anxious about tests and we encourage you to "play them down". They are only one of the tools that we use when assessing your child. They are only a snapshot on how your child is performing on that day and often not a full indication of all your child's achievements.

Playground markings

Last Thursday we got new playground markings painted in our school yards. The children are all really excited about using them. A huge thank you to you and our Parents' Association for providing the funding.

School Closures Reminder

May 31st.

June 3rd and 7th.

School will close for the summer on Thursday 27th June
